

GUIDED PATHWAY: PARALEGAL A.A.S.

(For transfer to National University, BS in Paralegal Studies)

LAW and PUBLIC SERVICE CAREER PATH

For more information, visit the [Dallas College Paralegal webpage](http://www.dcccd.edu/paralegal) [www.dcccd.edu/paralegal] and your success coach at your campus.

This is an example course sequence for students interested in pursuing Paralegal Studies. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Applied Science (A.A.S.) degree in Paralegal. Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by Dallas College. See catalog for [official degree requirements](#).

The A.A.S. degree is designed to prepare you to function as a technically qualified assistant to the lawyer. Paralegals typically work in law firms, governmental agencies, corporations, and other business entities. The program does not qualify a graduate to take a State Bar exam, represent clients in court, give legal advice, or provide independent legal services. Paralegals may not provide legal services directly to the public, except as permitted by law. Courses that complete the degree are noted below.

Visit [National University](#) to view more information about transferring to National University. Speak with your success coach to choose courses that will help you to transfer to NU.

Catalog Year	2021-2022	You may use this pathway if you entered Dallas College on or before this date.
Degree Type	Associate of Applied Science	
GPA Requirement	Student must earn a GPA of 2.0 or higher
