

Student Evaluation of Site Placement

Student Name:

Site Name:

Instructions

This form is to be used to evaluate the above-named site where you have received clinical training. Your feedback is important to us, so we appreciate receiving as much detail and specificity as you can provide about your experience at your site. Your faculty, the Director of Clinical Training for your program, and the Office of Professional Training will have access to this evaluation and will review these evaluations periodically.

For the first items indicate which answer is accurate for this site.

1. This Site provided a clinical experience within the scope of practice for an MFT student.

Yes No Unsure

2. The Site provided and maintained an appropriate supervisor throughout the duration of training.

Yes No Unsure

3. Representatives from the site completed, reviewed, and signed all BBS and University forms in a timely manner.

Yes No Unsure

4. This Site clearly communicated policies, procedures, and regulations.

Yes No Unsure

5. The Site provided sufficient resources to provide clinically appropriate services to the clients.

Yes No Unsure

For the following items consider how the site met your expectations for support and training in the following areas.

1. Developing competence in working with diverse populations in a clinical setting.

Above Expectations Meets Expectations Below Expectations

2. Variety of clinical cases to provide a breadth of experiences to an MFT student.

Above Expectations Meets Expectations Below Expectations

3. Positive rapport between site staff and MFT student.

Above Expectations Meets Expectations Below Expectations

4. Professional relationship between site staff and MFT student.

Above Expectations Meets Expectations Below Expectations

5. Awareness and encouragement of compliance with laws and regulations that govern MFT practice.

- Above Expectations Meets Expectations Below Expectations

6. Emergency response plan that assures the personal safety and security of all site staff.

- Above Expectations Meets Expectations Below Expectations

7. Assisting MFT student in meeting NU program requirements.

- Above Expectations Meets Expectations Below Expectations

For the following items consider the prompts and provide brief reflections.

Describe your overall experience with this Site during your clinical training:

What is your perception of your clients' reactions to you, personally? Comment on cultural or social differences that had to be processed.

Describe other educational or skill training experiences offered at your Site:

Describe, in general, your interactions with colleagues, other trainees, counselors, and office personnel:

Thank you very much for taking the time to complete this evaluation.
